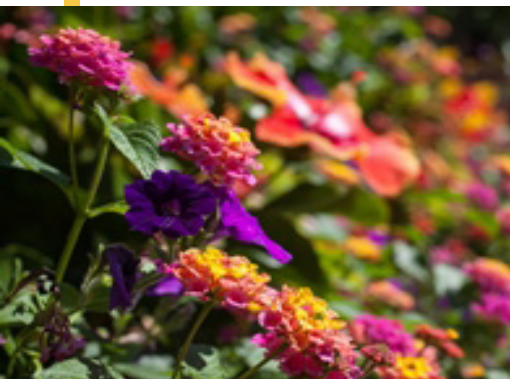
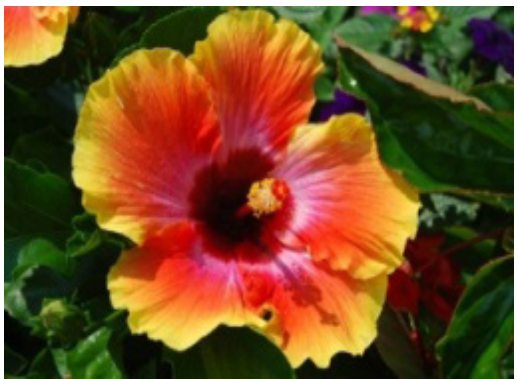
Army Spouses Club of the Greater Washington Area

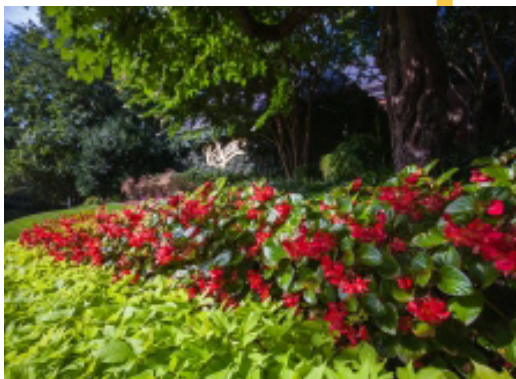
has partnered with

Greenstreet Growers

We are excited to announce that Greenstreet Growers will be at our April luncheon. Enjoy the benefit of beautiful blooms while helping out our scholarship program.

In addition to having plants for sale at the luncheon, Greenstreet will also have gift cards available that can be used at their nursery.






This is our last scholarship fundraiser of the year. Your continued generosity in support of our scholarship program means more than we can say!
